

WELCOME TO THE 2011 ALANIC VICTORIAN PREMIER LEAGUE SEASON

THE 2011 SEASON WILL BE OFFICIALLY LAUNCHED AT THE ALEX TOBIN OAM MEDAL ON MONDAY 14 FEBRUARY, WITH THE FIRST MATCH FOR ROUND ONE KICKING OFF THE NEXT DAY, TUESDAY 15TH FEBRUARY, BETWEEN VTC FOOTBALL AND THE SPRINGVALE WHITE EAGLES.

2010's competition was extremely competitive and it came down to the final home and away round before the top six teams were decided. This season looks like being no different, with all clubs recruiting and retaining players with the hopes of clinching the 2011 Championship.

In 2011 the St Albans Saints and Springvale White Eagles return to top flight Victorian football after finishing a very close first and second in the 2010 State League One competition. St Albans clinched the Championship after trailing top spot by 12 points half way through the season.

Springvale White Eagles return to the Alanic Victorian Premier League for the first time since 2007. Led by former Socceroo Mehmet Durakovic, Victorian Training Centre Football (VTC Football) will again compete mid-week against Alanic Victorian Premier League clubs this season.

Last year was the first time VTC Football (formerly named NTC) participated in the Alanic Victorian Premier League. The difference this year is that all the matches will be played for points, however, VTC Football cannot be relegated or win the Championship.

Once again the Alanic Victorian Premier League will be covered by the VPL LIVE broadcasts, where one match per round is broadcast live to the internet. Highlights of this match will then be shown on Channel 31's Extra Time program the following week. Log on to vpltv.footballfedvic.com.au to catch VPL LIVE's Match of the Round every weekend this season.

Football Federation Victoria is also delighted to welcome The Weekly as new media partner for the Alanic Victorian Premier League. The Weekly will sponsor FFV and all 12 Alanic Victorian Premier League clubs via association with their local mastheads.

The 2011 Alanic Victorian Premier League Media Guide has been developed to assist you this coming season. Please contact FFV's Media and Communications department for any assistance or further information on the Alanic Victorian Premier League and Victorian football in general.

THE COACH

In 2011 the Greens will be managed by Andy O'Dell. Originally from the UK and with an impeccable playing and coaching record at a State League and Premier League level, the Greens are in good hands. O'Dell was appointed six weeks out from the end of the 2010 season, and managed to turn around the club's fortunes enough to avoid relegation. O'Dell's strength as a coach is in his passion for the game and his ability to inspire and motivate his players to achieve their best both on and off the pitch.

KEY PLAYER

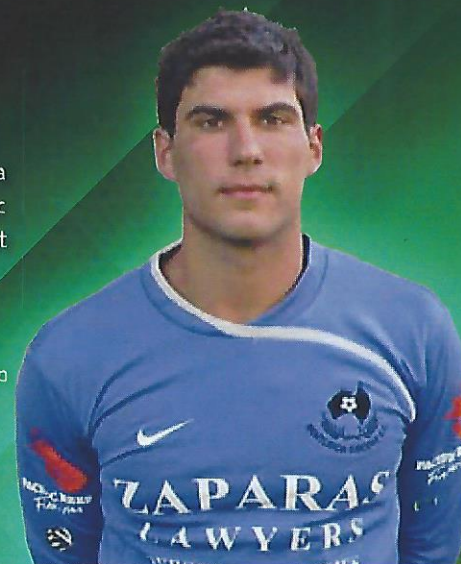

Captain and goal keeper Peter Gavalas will be crucial to Bentleigh's success in 2011. Recruited from Heidelberg United for the 2010 season, Gavalas missed a number of games with a foot injury last year, but is fit and ready to go in 2011. His obvious talent and leadership both on and off the field are his greatest strengths.

SHOOTING STAR

Billy Liolios will be one to watch from Bentleigh this year. A talented player with a football brain, Liolios has a great work ethic that will keep him in good stead throughout the season. His commitment during the pre-season has been outstanding, and his improved skills and fitness are testament of this. With a good attitude, a strong will to achieve and a good head on his shoulders, Liolios has a bright future ahead of him.

THE CLUB

Dandenong Thunder is entering their third successive year in the Alanic Victorian Premier League. This season they have a new-look squad. After winning the minor premiership in 2009 by 12 points, the club faced a difficult season in 2010 with key players Colin Quirk, Sam Bailey and Aaron Clapham not returning to the club. Leading goal scorer Jamie Reed was a shining light for Dandenong last year, after joining mid-season. The club has recruited former Melbourne Victory midfielder Mathew Theodore, former Bentleigh Greens midfielder Alex Rojas; talented imports Steven Gray, Liam Kearney, Chris Taylor, Nathan Knox and Luke Sherbon for the 2011 season.

THE COACH

Stuart Munro will continue at the helm of Dandenong Thunder for a third year, with the former Glasgow Rangers legend looking to rebuild the club after a disappointing 2010. Munro is currently an assistant coach at Perth Glory, and has assigned Franz Weimper to take over preseason duties, ensuring the Thunder players are in great condition and ready for a big 2011.

KEY PLAYER

After arriving last season as one of the star quartet with Ben Starosta, Jamie Reed and Geoff Kellaway; Luke Sherbon has agreed to return to the club after making a big impact during his short spell last year. The hard-nosed playmaking midfielder is a match winner. Sherbon returned home to play in the Welsh Premier League with Aberystwyth Town during the off season, and has made it clear he has come back to win a title for Dandenong this season.

SHOOTING STAR

Dandenong Thunder secured the prized signing of 21-year-old attacking midfielder Mathew Theodore from Altona Magic over summer. The former Melbourne Victory player caught the attention of many at the club with some brilliant performances for the Magic in 2010. In the preseason hit-outs, Theodore has formed a great partnership in the midfield with Alex Rojas and linked quite well with captain Veton Korcari, which saw the youngster score in a 2-1 friendly win over South Melbourne. With a big preseason under his belt, expect big things from Theodore in 2011.

He has had a distinguished playing career, signing his first professional contract at the age of 16 for Poprad FC in Slovakia. In 1994 he joined the National Soccer League with the Melbourne Knights, winning two Grand Finals. KEY PLAYER

Andy Vargas and Graham Hockless are two of Green Gully's key play makers. They are two very experienced players, and combined with their ability and distribution of the ball, they will cause plenty of headaches for opposition teams in 2011.

SHOOTING STAR

19-year-old Pasquale Vizzari is new to Green Gully's list in 2011, signing from Bulleen. Vizzari is a very talented attacking midfielder, which the club says has 'huge potential to become an A-league player in the near future'. Oakleigh elected not to nominate a single player as one to watch this year, preferring instead to discuss the collective qualities of the squad: 'Our strategy this year revolves around the collective efforts and values of our squad. This is not to suggest that we do not have individuals within the team who can influence matches significantly, however at this early stage in the pre-season to discuss individuals is not within the framework and ideals of what we are about in 2011.'

THE CLUB

Founded in 1953, Richmond Soccer Club first played in Victoria's top division in the old State League in 1961. Recently the club has enjoyed a great decade, including winning the State League Division Two South East Championship in 2003, and finishing Runner's-Up in State League Division One in 2005. They were Alanic VPL Minor Premiers in 2010, but were defeated by the Green Gully Cavaliers in the Grand Final at AAMI Park. During the preseason Richmond signed Chris O'Hare, a striker from Warragul who returns home after five years in Britain. As usual the club will be first looking to maintain its Alanic VPL status, but hoping to be in the top half of the table and building on the success of 2010.

THE COACH

Michael Chatzitrifonos enters his fourth year at the helm of Richmond in 2011. In 74 games in charge, he has 31 wins and 14 draws. A former goalkeeper who played with Heidelberg United in the National Soccer League, he commenced his coaching career at the Oakleigh Cannons, winning State League Division One and establishing the club in the Alanic VPL. In his next job at Western Suburbs he again won the State League Division One championship, and kept them in the top flight against the odds in 2007, before being lured across to Richmond in 2008. This season, he again hopes to keep the club able to compete with the best in 2011 and provide a platform for young players to develop their careers.

KEY PLAYER

Central midfielder Michael Ferrante will be a key player for Richmond in 2011. His acquisition in late April saw the club rise and then hold a place at the head of the Alanic VPL table and the eventual securing of the Minor Premiership. In partnership with captain Dimitri Tsiaras, he forms a formidable combination ready for any midfield battle.

SHOOTING STAR

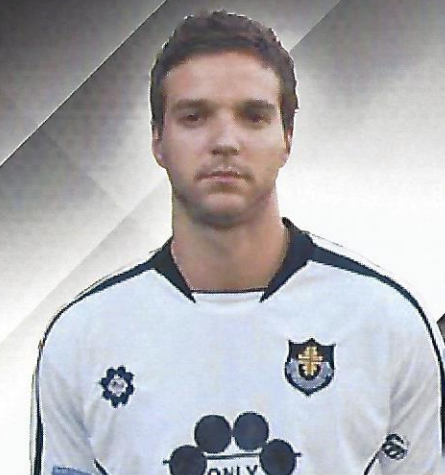

Eighteen-year-old left-sided attacking midfielder Mate Eterovic will be looking to become one of the team's shooting stars in 2011. Joining the club in 2008 from South Melbourne, he has made 63 appearances

for the club's Under 21's side, scoring seven goals. In 2009 he made two substitute appearances for the first team, and was set for more regular action in 2010 until being struck down by a long term back injury late in pre-season. Making an earlier than expected recovery, he managed to make three substitute appearances late in the campaign.

Having led his team to back-to-back Championships over the past two seasons, Razov has proven himself as a top level coach. A distinguished playing career saw Razov represent the Melbourne Knights in the NSL, as well as a number of appearances for the Saints in the Premier League.

KEY PLAYER

Tomi Razov will be instrumental to the St Albans Saints success in 2011. Razov is a versatile attacking midfielder who can also play upfront. Players are rotated in and out of the team to ensure that workloads are well managed and players are in optimum condition for competition in the National Youth League and national squads.

This team is underpinned by the National Training Centre (NTC) program that consists of 15-year old players

on a 12 month scholarship designed to provide a seamless transition to national underage and National Youth League teams.

Last year was the first time VTC Football (formerly named NTC) had participated in the Alanic Victorian Premier League. This year, they will continue to compete against the Alanic VPL clubs midweek, but the matches will be played for points. However, VTC Football cannot be relegated or win the Championship.
